Call to Order

President, Peter Zirnite, seeing that a quorum was present, called the meeting to order at 7:29 p.m.

Prior Minutes

Motion to approve the minutes from the November 2020 meeting was made, seconded and passed.

Treasurer Report

Treasurer Bill Anhut reported the LPCA has a balance of \$21,000. The newsletter is experiencing a decrease in advertisers due to the pandemic. A suggestion was to have a feature area in the June issue where space is sold for neighbors to recognize their graduates.

Dialogues on Race and Equality

Christa Abbott facilitated a virtual interactive conversation for Lyon Park residents to learn about and directly address local racial equity issues. Thanks to Christa for leading the Dialogues on Race and Equity in our neighborhood. Future conversations will be coming. Please contact Christa at christalpca@gmail.com if you would like to participate. Sharing the Race and Housing Video by the Alliance for Housing Solutions <https://www.youtube.com/watch?v=ijuP07GjFqY&feature=youtu.be>.

Membership

Work continues to secure a platform to manager membership. Current membership is at 221 with 183 being Lifetime members. Five new lifetime members joined in the last two months.

Zitkala Sa Park

Thora and Toby will reconvene with members of the history committee to pull together information displayed on the interpretative panels. Discussion included a plaque honoring Erik Gutshall. During an earlier conversation with Arlington County, the County asked the LPCA to cover the cost of a memorial plaque. County Board Member, Takis Karantonis attended. He encouraged the LPCA to go through the proper channels and ask the County Board for funding of a plaque honoring County Board Vice-Chair Erik Gutshall. The LPCA will begin the process by submitting a request to the County Board Clerk.

Development

The special land use study for Pershing Drive is available on the County website at [Special Land Use Study – Pershing Drive - Projects & Planning \(arlingtonva.us\)](https://www.arlingtonva.us/Special-Land-Use-Study-Pershing-Drive-Projects-Planning). Attendees asked questions and shared their thoughts and opinions. Aaron Schuetz will schedule a meeting with the developers of the Days Inn site.
